

Academic Probation Self-Assessment

A student who receives a semester grade point average (GPA) of less than 2.00 or ends a semester with a cumulative GPA below 2.00 will be placed (or will continue) on probation. The student will remain on probation until a semester is completed with both a semester and cumulative GPA at or above 2.00, or until the student is dismissed.

Please complete the assessment and be prepared to discuss the topics with your academic adviser. You **MUST** bring this document to your meeting with your adviser to develop your Academic Recovery Plan.
