

GERMAN

Academics

When you major in German, you will acquire a proficiency in the use of the German language and enroll in courses on German culture and literature, combining growth, personal challenges and life experiences. You will learn about the history of German in Nebraska and be drawn into different cultures around the world where you will connect with them not just intellectually, but personally.

Since language is crucial to the understanding of history and culture, your core courses will impart a grammatical, syntactical and cultural proficiency enabling you to adapt to an increasingly diverse world. Beyond that, dive deeper by enrolling in elective courses such as:

- German Literature in Translation
- German for Business and Commerce
- Linguistics in German
- Postwar German Literature: The Literature of West Germany, Austria and Switzerland
- Romanticism

Opportunities

As a German major, you will receive a broad general education making you an attractive candidate for a wide range of career opportunities. When combined with interest areas, you will be equipped for pursuing a career in areas such as government service, business, the travel industry, journalism, law or health care. Here are examples of recent graduates' employment:

- 2nd Lieutenant / *UNITED STATES MARINE CORPS*
- Account Executive / *93.7 THE TICKET*
