Employee Programs

Credit Union - Membership in the University Federal Credit Union allows employees to designate savings/checking and loan payments through payroll deduction.

Employee & Dependent Scholarship Program - Available to regular, full-time staff, it provides opportunity to broaden education and improve skills inventory by taking classes at a reduced rate.

Employee Assistance Program - Provides confidential, short-term counseling, assessment and referral for regular employees and their immediate family members who seek assistance for personal concerns.

Professional Training & Development - Workshops, seminars, programs and services to help build skills, enhance abilities and strengthen competencies on and off the job.

Other in-house discounts and benefits include discount pricing at the [computer store](#), use of the [Campus Health Center](#) and 10 percent off at the [University Bookstore](#).

Discounts provided by other outside vendors include 20 percent off at the [Nebraska Bookstore](#), 20 percent off at [Safelite Auto Glass](#) and 25 percent off at [WW Grainger](#), an industrial supply company.
