

COLLEGE OF ARTS AND SCIENCES
University of Nebraska-Lincoln

SOCIAL ENTREPRENEURSHIP CERTIFICATE

Learn how to lead and innovate in mission-driven organizations that create real and lasting social impact.

Our interdisciplinary certificate helps students turn their passion for social good into practical change, locally and globally. Students gain critical skills in strategy, leadership, and ethical decision-making, while learning how to build thriving, sustainable organizations. Experiential learning is a major component of the certificate program.

HIGHLIGHTS

Create Social Impact

Gain leadership and innovation skills tailored to social impact organizations.

Acquire Real-World Skills

Grow your resume with real grant-writing and fundraising opportunities with our community partners. You will emerge ready to lead and thrive in a professional capacity.

OUTSIDE OF CLASS

Education Abroad

Spend a semester studying Social Entrepreneurship in Bolivia, Thailand, or Denmark. Take a faculty-led trip to Mexico City to collaborate with local business leaders.

Internships

Intern with the Asian Cultural Center, Career Ladder, or connect with our Career Coaches to identify more opportunities.

Leadership

Join Women+ in Entrepreneurship, Mortar Board, or Honors Program Student Advisory Board. Be a leader in any of 540+ recognized student organizations on campus.

Research

Investigate the history of refugee resettlement in Nebraska or conduct projects from market analysis for new social ventures to evaluating initiatives that advance environmental stability.

Service

Build your skills in our semester-long experiential learning opportunity as a volunteer at a local non-profit organization or social enterprise.

— These are just a few of many opportunities available to you.

THE NEBRASKA DIFFERENCE

Curiosity

Discover what moves you as you engage in our variety of academic disciplines.

Flexibility and Choice

Customize your degree with course choices and add a minor or even second major.

Academics and Experience

Build knowledge, skills, and experience in and out of the classroom.

Power of Possibilities

Develop interests and goals in any field and learn how your major connects to it.
